

[illegible]

Architectural elevation drawing of a building facade. The drawing shows a multi-story building with a central section and two side wings. The central section has a height of 20300 and a width of 17400. The side wings have a height of 2900. The building is divided into several vertical sections, each with a different facade material (brick, stone, and light-colored panels). The drawing includes various level markers and dimensions:

- Overall height: 20300
- Overall width: 17400
- Top level: RL +66.95m
- Side wing height: 2900
- Central section height: 20300
- Side wing height: 2900
- Level markers (from top to bottom):
 - FFL +64.05m
 - FFL +61.20m
 - FFL +58.35m
 - FFL +55.50m
 - FFL +52.65m
 - FFL +49.80m
 - GFL +46.80m
 - GL +46.65m
- Dimensions (from top to bottom):
 - 2900
 - 2850
 - 2850
 - 2850
 - 2850
 - 2850
 - 3000

The site plan shows a proposed development bounded by West 1st Avenue to the north, West 2nd Avenue to the south, and West 3rd Avenue to the east. The development is divided into five blocks: Block A (top left), Block B (top right), Block C (middle left), Block D (middle right, highlighted in red), and Block E (bottom left). A central green space is located between Block C and Block D. The plan includes a north arrow, a scale bar, and a legend. The surrounding area includes existing buildings, streets, and a park area.

The diagram shows a 7-story building with a total height of 20300 mm and a total width of 17400 mm. The building is divided into seven horizontal levels, each 2850 mm high. The ground level (GL) is at +46.65m. The floor levels (FFL) for each floor are as follows:

- Level 7 (Top): FFL +64.05m
- Level 6: FFL +61.20m
- Level 5: FFL +58.35m
- Level 4: FFL +55.50m
- Level 3: FFL +52.65m
- Level 2: FFL +49.80m
- Level 1 (Ground): GL +46.65m

The building layout includes a central corridor, two kitchen/living areas, two bedrooms, and two stores on each floor. The top floor (Level 7) also includes two restrooms (WC). The building is situated on a sloped terrain, with the ground level (GL) indicated at the bottom right.
